OpenSDS and Kubernetes

Leon Wang

A Linux Foundation Project
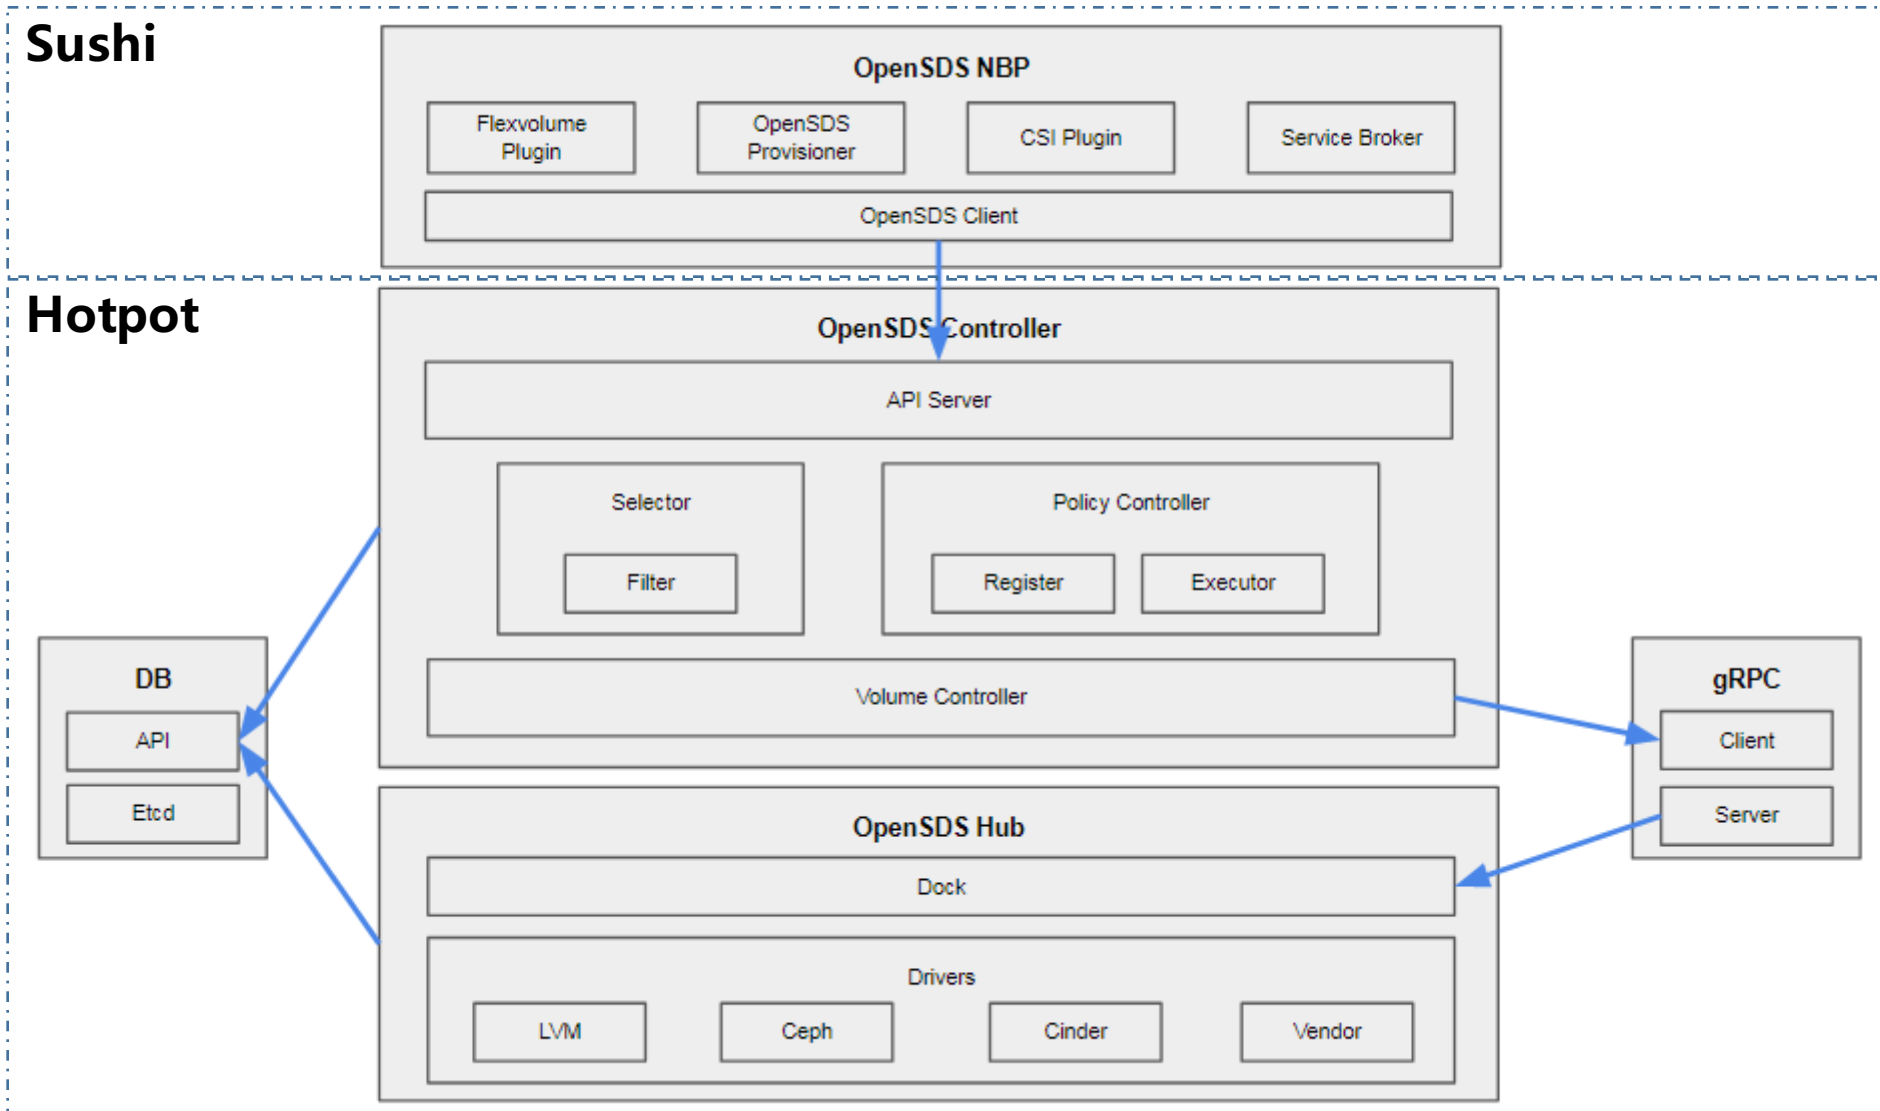

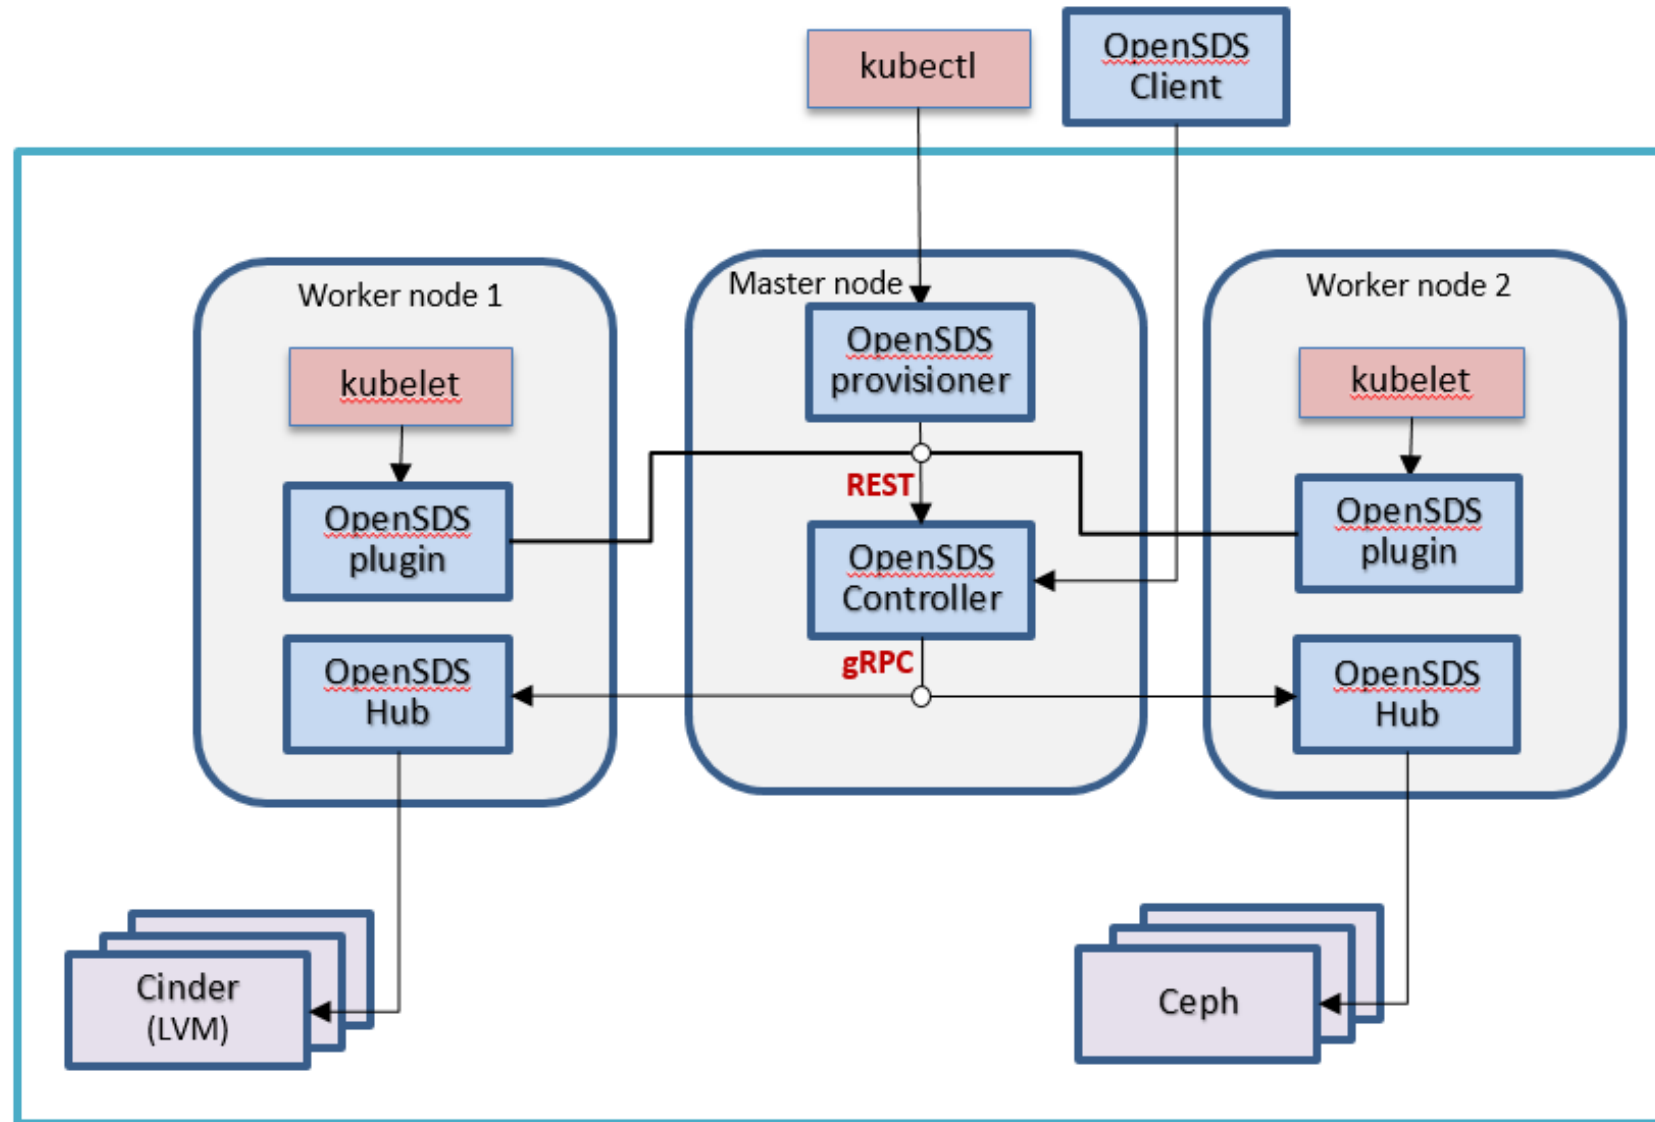

OpenSDS

Community

OpenSDS is an open source community working to address storage integration challenges, particularly in scale-out cloud native environments with heterogeneous storage platforms. A governance charter is under discussion and join the conversation if you want to be part of the innovation

Architecture

# OpenSDS and Kubernetes

OpenSDS + Kubernetes (Option 1)

OpenSDS + Kubernetes (Option 2)

OpenSDS + Kubernetes (Option 3)
